Patent Holder

Kalyani, West Bengal, India

## Summary

I'm Rajarshi Bhowmik, a Computer Science and Engineering student specializing in AI and ML at JIS College of Engineering. Passionate about technology's potential, I explore AI-driven solutions for real-world challenges, from predictive analytics to NLP. With a strong foundation in programming, data structures, and algorithms, I'm eager to innovate and make an impact. Actively seeking internship opportunities.
